

# The BIG Picture

Newsletter  
July-September 2022

Dear Readers,

We welcome you all to the yet another edition of our quarterly newsletter 'The Big Picture.'

With this edition, we would like to thank all our well-wishers, partners and patrons, both governmental and non-governmental for their continuous support as we are humbled by the numerous awards and recognition conferred to us during the second quarter of the year.

Our hard-work and relentless commitment for the upliftment of Sports, Fitness and Physical Education is recognized by numerous prestigious organizations in the form of awards and recognition.

Getting shortlisted in these various categories in itself was a great achievement for us, let alone, eventually winning the best in all the categories!

We are humbled and motivated to continue to bring innovations to the entire sports eco-system in India.

The updates of the second quarter highlights the awards that we received as well as our work, a small contribution, towards building our great nation to a sporting nation.

We thank you for your time in going through this newsletter and if there is anything else that you would like to see from this newsletter or just have any questions, please reach out to us directly at the contact information provided at the last page.

Jai Hind!

# Self-Defense Training for Various Ministries and Govt. Institutes

SPEFL-SC commenced the self-defense training program, "Meri Suraksha, Meri Zimmedari" to train girls students and women workforce of various govt. institutes and Ministries. This program is in line with the Hon'ble Prime Minister Shri Narendra Modi's visionary program "Mission Karmayogi".

"Mission Karmayogi" by Shri Narendra Modi is one of its kind initiatives that focuses on the capacity building while modernizing the thinking and approach of girl students of govt. institutes and govt. employees.

SPEFL-SC created this self-defense program based on world's top fighting systems such as Krav Maga, Kali, Silat, Wing Chun and others. The instructors are professionals in teaching the greatest skills in the world and situational awareness as well. These techniques were created by combat specialists with 15 years of experience and are simple to learn and apply under pressure.

SPEFL-SC has been conducting 5-day trainings for females in central ministries/ ITIs/schools as part of the unique initiative of Self-Defense Training. Over 4000 females have been trained so far. These trainings have become so popular that we have received an overwhelming response from all of the participants from various ministries and ITIs.
